

PROMILLER

HOTEL MANAGEMENT COMPANY

WE MILL THE PROFITS FOR YOU

ProMiller

We are a next-generation third-party hotel management company delivering people-first, SOP-driven operations. Our organization works with a select portfolio of hotels and resorts across India, chosen for long-term potential and strategic alignment. We have grown into trusted partners for third-party management and hotel asset management, building strong cultures, operational discipline and sustainable value.

Founded in 2018 by Sahil Pandita and Shruti Shukla. Today we manage about 350 rooms across four destinations: the Andaman & Nicobar Islands, Igatpuri, Jawai and Kashmir.

Values we operate with :

Equity & Mutual Growth: We build fair, transparent relationships based on mutual trust, aligned interests and sustainable performance.

Operational Discipline: We bring structure through SOPs, defined standards and disciplined execution, tailored to each property's needs.

People & Culture: We put people at the centre, fostering ownership, accountability and continuous development across teams.

Innovation & Sustainability: We combine new-age thinking with proven hospitality practices to drive performance and create long-term value.

What makes us unique?

People Management: Proven to be exceptional in People Management across all scales and positions

Turnarounds: Every operating hotel we have taken on came to us with serious problems, and we have turned each one around.

Diversity: Adept professionals from multifarious fields & backgrounds

Expertise: A dynamic team, mentored by industry veterans with 50+ years of experience.

Deliverables: Concise deliverables; Owner-friendly & ensuring asset's healthy life cycle
